

## FINTECH EXPERTISE FOR DIGITAL GROWTH.

We help fintech, Web3 and digital asset businesses structure, scale and operate with confidence.

Our global team works seamlessly with colleagues across key international markets to deliver practical, commercially focused advice across transactions, regulation, operations and disputes.

### HOW WE CAN HELP YOU

#### Support across the full lifecycle

From early-stage structuring and fundraising to growth, regulatory engagement, restructuring and disputes, we help clients move forward with clarity.

#### Support for investment and scale

We work with ambitious fintech, Web3 and digital asset businesses at critical moments of growth, investment and change.

#### Commercial, partner-led advice

We bring technical expertise, sound judgement and close senior involvement to complex and high-value matters.

#### Guidance through regulatory complexity

We advise on complex and evolving regulatory frameworks across leading offshore and international jurisdictions. From licensing and structuring to ongoing compliance, we help clients navigate uncertainty with clarity and confidence.

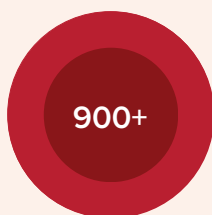

#### Joined-up cross-border support

Our global team works seamlessly across BVI, Cayman, Hong Kong, London and beyond, helping clients align legal, regulatory and commercial considerations across jurisdictions.
